Preparing to ask about a Care Dependency Grant

A printable conversation checklist for a caregiver. Use it to prepare questions for SASSA or a social worker. It is not an official grant application or proof of eligibility.

Important: South African Government says the Care Dependency Grant application form is obtained at a SASSA office and completed in the presence of a SASSA officer. Do not submit this checklist as an application.

Before you visit SASSA

□ Check the current official grant page and the nearest SASSA office.
□ Ask which identity, child, caregiver, income and medical documents apply to your situation.
□ Ask whether a state medical assessment or referral form is required before applying.
□ Keep copies or a list of documents you take; ask for a receipt after applying.

Documents to ask about

□ Caregiver identity document and the child’s birth certificate or accepted alternatives.
□ Medical or assessment report, if requested by SASSA.
□ Proof of caregiver relationship or foster placement, if relevant.
□ Current income or bank records, if requested for the means test.
